TO OUR READERS, FRIENDS AND ASSOCIATES:

Global Sports Partners is pleased to announce the distribution of its first-ever newsletter. It is anticipated that this newsletter will be published quarterly with updates and announcements of GSP's activities around the world. We look forward to communicating with everyone and don't hesitate to contact us if we can ever be of any service to you and your organizations.

JANUARY, 2006

Working with its sister company of The Elmore Sports Group, Cartan Tours, GSP President Greg Harney and Vice President Francisco Campo traveled throughout Latin America with Cartan Tours Vice President Don Williams to meet with five (5) National Olympic Committees. In addition, they met with IOC member and PASO and ANOC President Mario Vázquez Raña along with IOC member and PASO Director Reynaldo González López in Mexico City. They also met with the Home Depot Center in Los Angeles regarding offering its services for possible international programs.

FEBRUARY, 2006

Global Sports Partners had the pleasure of spending nearly three weeks at the Olympic Winter Games in Torino, Italy and were most impressed with the organization of the Games. While in Torino, both Campo and Harney had the pleasure of renewing acquaintances with several members of the Olympic family including IOC members, NOC President and Secretary Generals. GSP was also able to introduce aspiring Iraqi skeleton athlete, Faisal Faisal, to prominent IOC Solidarity staff and assisted the City of Busan (Korea) during its visit to Torino.
